Richard Jewson, JP, Patron of the Yare Valley & District CAB writes:

During my travels around the county, I meet many people who have found themselves in difficulties because they don't know where to turn for help.

The work of the CAB is so important because it can be relied upon to give free, practical and independent advice to

everyone, and can make a life changing contribution to individuals and the community.

Yare Valley & District CAB has been helping people in Attleborough, Wymondham and Great Yarmouth and the surrounding areas for over 30 years, but to maintain and increase the service, the CAB needs our support. It is a charitable, voluntary organisation, reliant on the goodwill of local people, grants and donations.

I was delighted to be asked to become the Bureau's Patron and I hope that you will join me and become a member of the Friends of Yare Valley & District CAB.

Richard Jewson, JP
HM Lord-Lieutenant of Norfolk

Who runs the Citizens Advice Bureau?

Yare Valley & District CAB is an **independent charity**, run by local people, and a member of the national charity, Citizens Advice. We give free, impartial advice on everything from employment issues, benefits and consumer rights to housing, immigration and debt advice. Our advisors are volunteers, trained to high professional standards.

Last year we advised local people on 17,187 different issues...

Most people think they will never need their Citizens Advice Bureau, until they...

- Need help to claim benefits
- Separate or divorce
- Lose their job through redundancy or ill health
- Take responsibility for elderly relatives
- Find themselves in debt
- Are let down by suppliers
- Have a dispute with neighbours
- Retire and find themselves unable to cope on a low, fixed income

If you become a Friend of the Bureau, your donation will help us to:

- Recruit and train more volunteers
- Increase our opening hours
- Answer more telephone calls and e-mail enquiries
- Improve our website
- Retain our specialist services, such as for debt and welfare benefits
- Purchase a hearing loop for our Attleborough bureau
- Replace some of our older IT equipment

The aims of this Citizens Advice Bureau are:

- To provide the advice people need for the problems they face
- To improve the policies and practices that affect people's lives
